

Chamonix, France

Friday, January 30–Saturday, February 7, 2009

Chamonix lies on the borders of Italy, France and Switzerland in a valley at the foot of the spectacular Mont Blanc range, the highest peak in the Alps, with its many glaciers. Many skiers consider Chamonix to be the ultimate skiing experience and is more expansive than Vail and Aspen combined. Explore the entire Mont Blanc with a guide and really find the good spots!

The town itself is super-lively and easily accessible to other parts of Europe for non-skiers. There is an abundance of shopping, cafes, pubs and exceptional nightlife that will keep you running--and, be sure to bring your appetite, the food is incredible!
